

Hermiston High School Honors Diploma

(Effective class of 2022)

Student Name: _____ Student #: _____ Graduation Year: _____

The Hermiston High School Honors Diploma recognizes those high achieving students who strive to excel in their academic pursuits. Those recognized with the honors medallion at graduation will represent the highest performing students in the most challenging courses we offer. The honors diploma recognizes academic rigor, career preparation, skill building, and the performing arts. Hermiston High School believes it is through a balance of these ideals that produces the most diverse and equipped students.

*Requirements:

_____ Total of 27 high school credits

_____ Cumulative GPA of 3.5 or higher

7 Advanced Courses

Minimum 2 A.P.

- _____ Hospitality & Tourism
- _____ Marketing
- _____ Media Art

OR

Honors Performing Arts

5 Total Credits

- _____ Music - Choral
- _____ Music - Instrumental

OR

2 additional advanced courses from the Advanced Courses list

Course 1:

Course 2:

The honors diploma is earned by completing seven credits from the advanced course list **and** earning at least one program of study from the careers list **or** by completing the honors performing arts requirements. If a student chooses not to complete a program of study or the honors performing arts requirements, two additional advanced courses from the advanced courses list could act as a substitute.

*Any course on the list taken with a pass/fail option will not count towards the honors diploma. Colleges will assume a "Pass" is the lowest possible option, which at HHS means a "D-".

*A student must meet all other regular diploma requirements. Advanced credit earned at another school, or from a college, needs to be petitioned through the HHS Leadership Team for approval.
